Districts need safe, efficient ways for students to communicate and collaborate. To meet this need, we are excited to announce a new addition to our product line: Student Email.

The **Lightspeed Systems Student Email** product will give districts a safe, monitored, customizable solution for student and staff email. Available as a standalone product or integrated with our Web Access Manager (web filtering) or Total Traffic Control (all-in-one) solutions, this is yet another way we are helping you balance the needs for learning and safety—and cost-effectiveness—in your district.

## KEY FEATURES

- Auto-account creation
- Secure login
- Allow and block lists: sender/receiver addresses
- Filtering
- Profanity blocking
- Spam blocking
- Virus scanning
- Archiving
- Private File Storage w/unlimited storage, max 75Mb file size
