## **UNITED SYSTEMS IS NAMED IN THE TOP 50 FASTEST GROWING COMPANIES IN OKLAHOMA CITY.**

OKLAHOMA CITY, OK, SEPTEMBER 9, 2010: The Oklahoma City Chamber of Commerce announced that United Systems has been honored with being named 37th in the top 50 companies in the Oklahoma City metro area. The Oklahoma City Chamber describes the Metro 50 Award as recognizing both emerging companies, as well as companies that have exhibited a substantial history as an established business. The requirements for the award include positive growth in revenues, growth in the number of employees, creativity/entrepreneurship, and business development through the expansion of facilities, customer base or markets.

We are very proud of our accomplishments over the past 26 years. Our motto; "Relationships Through Service" has been a standard on which our employees could base their performance, and our customers could count on us to perform. It is a testimony to our employees and customers that we can still be recognized as a growth company in our 26th year. Our

thanks to the Oklahoma City Chamber of Commerce for the nomination, and our customers and employees that help keep United Systems as a leader in our market place.

About United Systems.

Since 1984 United Systems has provided end-to-end technology solutions to Oklahoma schools and businesses. Our strong mixture of expertise and experience combined with state of the art assessment techniques provides design and advisement that are second to none. From implementation through support, our commitment to excellence and service ensures results for our clients whether making use of their current investment or moving forward into new areas of technology.

We specialize in every aspect of technology integration, from desktops to network infrastructure, phone systems, video surveillance and network security. Our knowledge of software and multiple network operating system allows us to bring a different level of ability than most integrators, and it shows in our results. United Systems has built our reputation on our philosophy of "**Relationships Through Service**" and our staff delivers on that promise every day.
